**WE WANT YOUR FEEDBACK!**

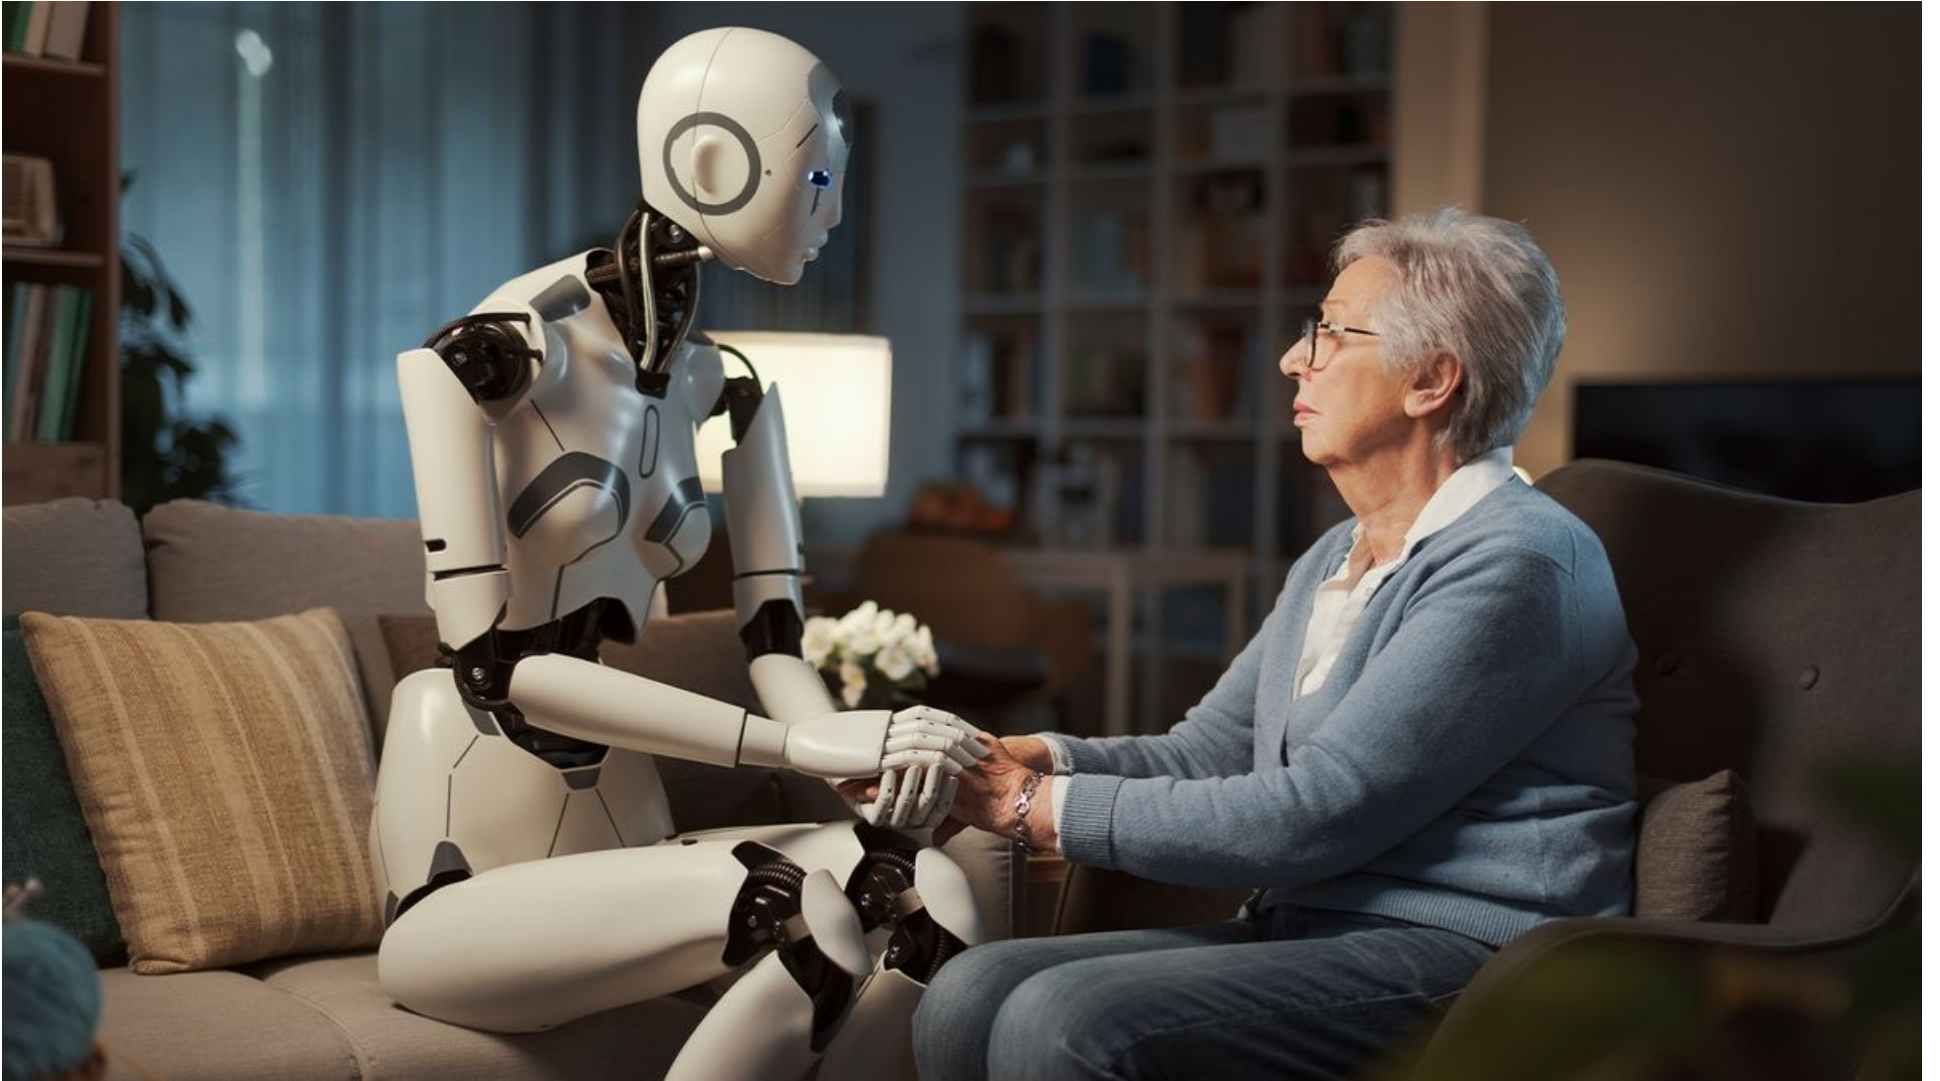

# Opening Comments

**How do you feel about aviation right now?**

**Themes?**

**What are you going to do about it?**

## Uniquely Human

**Decision-making is what sets us apart from machines.**

**Machines (and some engineers 😊)  
make decisions-based solely on logic**

# What Are WE Going To Do About It?

Consider?

***Heads Up, Hearts In***

Human Centered Safety

**Prioritize BOTH logic and emotion when  
making decisions**
